

GLOBAL CONVENING

We're excited to bring together the 2023 Climate Corps global class of fellows from the China, India, and US programs to officially launch the season with celebration, learning, and connection. *Please hold Wednesday, May 24 either 9-10am ET/6-7am PT or 9-10pm ET/6-7pm PT.* We'll host the same live, virtual event twice to accommodate different time zones. You are only required to attend one of these times but are welcome to attend both.

US PROGRAM FELLOW TRAINING

Schedule & Agenda

Training will take place May 30-June 2, 2023 on Zoom. Please hold in your calendar:

- Tuesday: 11:30am-7:30pm ET / 8:30am-4:30pm PT
- Wednesday: 11:00am-7pm ET / 8:00am-4pm PT
- Thursday: 11:00am-4:30pm ET / 8:00am-1:30pm PT
 - Meet-ups: Virtual at 6:30-8:30pm ET and In-Person at 6:30-8:30pm Local Time
- Friday: 11:00am-7pm ET / 8:00am-4pm PT

Note: Breaks are built into the schedule, but please hold these full windows.

2023 Training Agenda Summary*

Tues, May 30	Wed, May 31	Thurs, June 1	Fri, June 2
<ul style="list-style-type: none"> • Training Welcome 11:30am-12:30pm ET • Training sessions 12:30-6:30pm ET • Networking 6:30-7:30pm ET 	<ul style="list-style-type: none"> • Networking with class & EDF 11:00am-12:00pm ET • Training sessions 12:00-5:00pm ET • Alumni Panel & Networking 5:00-7:00pm ET 	<ul style="list-style-type: none"> • Networking with class & EDF 11:00-11:30am ET • Training sessions 11:30am-4:30pm ET • Virtual Meet-Up 6:30-8:30 ET • In-person Meet-Ups ~6:30-8:30pm Local Time 	<ul style="list-style-type: none"> • Networking with class & EDF 11:00-11:30am ET • Training sessions & Keynote 11:30am-6:00pm ET • Virtual After-Party 6:00-7:00pm ET

**Exact times subject to change.*

Content

Training will include plenary and concurrent content sessions, orientation workshops, keynote presentations, and networking opportunities, all designed to prepare you for your fellowship and your career in climate.

Example sessions: GHG Accounting, Environmental & Climate Justice, ESG Reporting, Fleet Electrification, Pathways to Net Zero, Supply Chain Sustainability, Climate Scenario Analysis, and more!

Regional In-Person Meetups & Virtual Meetup

We will host in-person meetups in regional hubs across the US on Thursday, June 1 in the evening local time. To reduce our collective emissions, we ask that fellows travel at most 2 hours (each way) via car/bus/train to attend. Limited funding will be available to support fellows in getting to their closest meetup via car/bus/train.

Because not everyone will be near a regional hub, we will also host a fun, virtual meetup that evening.

Details & Registration

In mid-April, keep an eye on The Kilowatt and your email for additional information including training registration and in-person meetup support. The week before Training, you will receive all details from your Engagement Manager.

Preparation

- **Zoom:** For the best experience, use Zoom on a computer via the desktop client, which has more capabilities than the browser one. Download it [here](#). If you already have Zoom, please [update it to the latest version](#). If you need to use the browser version (not recommended), [Google Chrome](#) works best.
- **Materials:** You will need a computer and internet access. We also recommend headphones with a built-in microphone. Please note any questions or concerns in the Training Survey (linked [here](#)).
- **Attire:** Recommended dress is business casual. Please note that photos will be taken during the week.

Please contact your Engagement Manager if you have any questions.
